

USER GUIDE

BIKE APPLICATIONS

2001-2014 Goldwing GL1800
2013-2014 Goldwing F6B
All Goldwing 1800's from 2001-2010

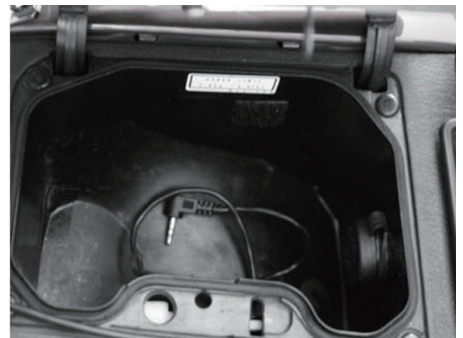

NOTE: Please check and make sure your bike have the compatible 3 pin plug before purchase.

BEFORE YOU START

1. Turn the ignition off.
2. Ensure the factory radio is turned off.

INSTALLATION

1. Carefully open the left pocket of the bike.
2. Find the 3 pin plug located underneath the body with other wires and is recessed inside a rubber boot.
3. Connect the 3 Pin connector to the plug.
4. Connect a AUX portable device and play music to test it.
5. If it does not work, please recheck all of your connections.
